

Motion to Recommend Denial

“I move to recommend adoption of the proposed Consistency Statement dated April 28, 2026, contained in the agenda materials and to recommend denial of the zoning amendment.”

Comprehensive Plan Consistency Statement

April 28, 2026

Zoning case no. *Z-3-26*

Addresses: *617 West Jones Street and 117 Glenwood Avenue*

Applicant: *Molly Stuart, Morningstar Law Group on behalf of 617 West Jones Street, LLC and Tahssili Real Estate Ventures LLC*

After considering the policies, maps, and other materials included as a part of the comprehensive plan, the Planning Commission determines that the proposed zoning amendment is **CONSISTENT** with the Comprehensive Plan and other adopted plans, and **INCONSISTENT** with the Future Land Use Map, and the request should be **DENIED**.

The action taken is reasonable and in the public interest because:

- The current zoning is sufficient to allow for use and development of the site.
- The requested zoning designation is too intensive for the assigned Future Land Use Category.
