Agenda Content:

Janeen Goodwin, Raleigh Water

.

On May 22, 2025, Raleigh Water advertised and received two bids for the Large Diameter Valve Replacements project. As required by G.S. 143-132(a), the project was re-advertised for bid. Two construction bids were received on June 3, 2025 for the Large Diameter Valve Replacement Project. This project was identified by the Water Distribution Large Valve Exercising Program, focused on maintaining the reliability of large diameter valves in the water distribution system. The project will install one 36-inch, one 20-inch, six 16-inch, one 8-inch valves and associated appurtenances to replace existing broken valves in the water distribution system. The project is located at five sites near NC State University and one along Six Forks Road.

.

Moffat Pipe, Inc. is the low bidder in the amount of \$1,268,896. All three bid alternates were also chosen for a total amount of \$2,606,610 with 80 percent underutilized business participation commitment. The Business Engagement and Opportunities Program (BEOP) and Raleigh Water have reviewed the documents, determined that a good faith effort for underutilized business was made, and recommend award to Moffat Pipe, Inc.

Recommended Action: Award the base bid and all three bid alternates to Moffat Pipe, Inc. in the amount not to exceed \$2,606,610 and authorize the City Manager to execute the contract.
