DATE: June 11, 2025

SUBJECT: Contract Award Recommendation for the Large Diameter Valve Replacements Project

The division has completed its compliance review of bid documents submitted by Moffat Pipe, Inc., the apparent low bidder for the Large Diameter Valve Replacements Project in the amount of \$2,606,610.00.

Moffat Pipe, Inc. is an underutilized firm, certified through the NC DOA/HUB and/or NC DOT/DBE programs, and proposes to perform \$2,085,288.00, 80% of the project.

The estimated total cost of construction subcontracted to underutilized businesses is \$0.00. Total participation of certified firms is \$2,085,288.00, 80%. This meets or exceeds the 15% underutilized business participation goal.

The Business Engagement and Opportunities Program (BEOP) and Raleigh Water Department acknowledge the overall goal achievement. Moffat Pipe, Inc. is encouraged to continue seeking opportunities to engage underutilized businesses throughout the duration of the project, where feasible.

Please proceed with awarding the contract. If you have any questions or require further information, please contact our office at (919) 996-5740.
