**Department:** Engineering Services  
**Sponsor(s):** James Walters  
**Fiscal Impact:** Yes  
**Dollar Amount:** \$765,000  
**Budgeted:** Yes  
**Budget Source:** Operating Budget/Capital Improvement Program

---

**Agenda Content:**

James Walters, Engineering Services Department

The project includes upgrades to the existing electrical infrastructure at Pullen Park, specifically supporting the holiday express and planned event power, as well as additional lighting throughout the park in pre-determined locations. The project was rebid due to an insufficient number of bids following Procurement requirements, with one construction bid received on May 8, 2025 as a result of the rebidding process for the Pullen Park Electrical Upgrades. Funding for this project has been secured to adequately cover the full project cost through FY26 Capital Budget.

**Recommended Action:** Award the bid to Classic Electric Service, Inc. in the amount not to exceed \$765,000.00 and authorize the City Manager to execute the contract.

**Contract Properties:**
