

**Title:** No Parking Anytime Zone – 700 Harvey Street  
**Meeting Date:**  
**Meeting Type:** City Council Meeting - First Tuesday - Afternoon & Evening Sessions  
**Department:** Transportation  
**Sponsor:** Charles Howard

---

**Agenda Content:**

Tony Howard, Transportation

.

It is recommended that a No Parking Anytime Zone be established along the north side of the 700 block of Harvey Street.

.

In April 2025, Transportation staff received a petition signed by approximately 75% of the households along Harvey Street, between Glenwood Avenue and Scales Street. The petition requested the establishment of a “No Parking Anytime” zone along the north side of the roadway, citing ongoing visibility concerns when exiting private driveways.

.

Following the request, staff conducted a site visit and reviewed the proposed restriction. It was noted that the majority of the north side of this block is already signed as “No Parking Anytime,” primarily due to the need to maintain adequate travel lane clearance near the intersection of Glenwood Avenue and ensure safe sightlines when turning from Scales Street onto Harvey Street. Currently, only about five (5) on-street parking spaces remain along this stretch.

.

Staff’s review determined that the removal of these remaining spaces would not significantly impact parking availability. The proposed restrictions aim to enhance safety along this corridor and ensure clear access for emergency vehicles.

.

All affected property owners were duly notified of this proposed change and provided two weeks to respond with any concerns, but no responses were received. The proposed parking restriction would result in the loss of approximately five (5) unregulated parking spaces along the north side of Harvey Street.

Upon approval, the Traffic Schedule should be amended effective seven days after Council action.

**Recommended Action:** Authorize the changes in the Traffic Schedule included with the agenda materials.
