Subject	No Parking Anytime Zone – 700 Harvey Street

It is recommended that a No Parking Anytime Zone be established along the north side of the 700 block of Harvey Street.

In April 2025, Transportation staff received a petition signed by approximately 75% of the households along Harvey Street, between Glenwood Avenue and Scales Street. The petition requested the establishment of a “No Parking Anytime” zone along the north side of the roadway, citing ongoing visibility concerns when exiting private driveways.

Following the request, staff conducted a site visit and reviewed the proposed restriction. It was noted that the majority of the north side of this block is already signed as “No Parking Anytime,” primarily due to the need to maintain adequate travel lane clearance near the intersection of Glenwood Avenue and ensure safe sightlines when turning from Scales Street onto Harvey Street. Currently, only about five (5) on-street parking spaces remain along this stretch.

Staff’s review determined that the removal of these remaining spaces would not significantly impact parking availability. The proposed restrictions aim to enhance safety along this corridor and ensure clear access for emergency vehicles.

All affected property owners were duly notified of this proposed change and provided two weeks to respond with any concerns, but no responses were received. The proposed parking restriction would result in the loss of approximately five (5) unregulated parking spaces along the north side of Harvey Street.

Upon approval, the Traffic Schedule should be amended effective seven days after Council action.

Recommendation:

Approve and amend the following Traffic Schedule:

Remove from Traffic Schedule 13 (No Parking Zones):

Harvey Street, both sides, from Glenwood Avenue eastward 150 feet.*

Add to Traffic Schedule 13 (No Parking Zones):

Harvey Street, north side, from Scales Street to Glenwood Avenue

Harvey Street, south side, from Glenwood Avenue eastward 150 feet.

No Parking Zone - 700 Harvey Street

PARKING RESTRICTION PETITION

We the undersigned residents/property owners do hereby request that a

no-parking zone; loading zone; other parking restriction as further described below be established on the
north _____ side(s) of _____ 700 block of Harvey Street. _____

Contact Person: Holly Hammer _____ Telephone Number: _____

Reason for Request: We, the property owners of 708, 710 and 712 Harvey Street, respectfully request that the remaining 5 space parking section along the north side of the street be designated as "No Parking Anytime." This request is due to ongoing safety concerns caused by parked vehicles obstructing safe passage when property owners are entering and exiting properties on the north side. Additionally, the presence of these parked vehicles continues to create street width limitations, compromising the safe flow of traffic. This is a two way street and due to parking issues it is unsafe and not possible to operate a vehicle safely in this area on Harvey. All other parts of the North side have been zoned no parking already.
